

DotWork Release Notes

Release Date: 10/02/2024

We are excited to announce the release of DotWork version 3.1.1. This update brings several enhancements and new features to improve the management of your tattoo studio. Below are the key changes included in this release:

New Features and Updates

1. Finance Report Updates

- Enhanced financial tracking and reporting capabilities.
- Improved accuracy and detail in financial summaries.

2. Client Summary Report Updates

- Updated client summary reports for better client information management.
- More comprehensive and detailed client data presentation.

3. Default Payment Amount Displayed on the Appointment Booking Page

- Streamlined booking process with the addition of a default payment amount.
- Simplifies the payment process for clients during appointment booking.

4. Ability for Studio Owners to Edit Their Artists' Profiles

- Studio owners can now edit and update their artists' profiles directly.
- Greater control over artist information and profile management.

We hope these updates enhance your experience with DotWork and make managing your tattoo studio even more efficient. As always, we appreciate your feedback and are committed to continuously improving our software to meet your needs.

Feel free to let us know if there's anything else you'd like to add or modify!
